Upon Receipt of Your skins we will send a confirmation stating the return freight costs. Hides are measured for billing upon completion: At which time you will be mailed an invoice for the tanning and return freight. The Success of the tanning depends primarily on how well and how son you take care of the hide. Moyle Mink and Tannery assumes no responsibility. Keep in mind that weather plays a big role in how fast the hide dries. After salting never freeze until absolutely dry. Turn Around Time is four to six months. All Skins Tanned at Your own risk. You may download Order forms to accompany your hide shipment on the forms Link.

IMPORTANT: Please refer to our Preparation and Tips Page.

Terms: Prices are subject to change without notice

Prices do not include shipping and handling charges.

Skins not paid for three months after invoice date will be sold to pay for tanning services.

Inquire about skins not listed before shipping.

Skins must be clean and dried. A 100% surcharge will be added for un-fleshed skins.

Regular turn around time is 60 to 90 days except on buffalo, cowhides, musk ox, bleached or dyed items and items with slow demand, which take longer to accumulate.

Upon receiving your skins we will send you a confirmation listing the skins received including the cost of return shipping.

Please report discrepancies immediately. We will not be responsible for inconsistencies reported after 30 days of confirmation date.

For faster service please send payment as soon as possible. If payment is sent after receipt of confirmation, the tanned hides will be sent to you within two days of completion. Otherwise, we will invoice and wait for payment to clear the bank before we ship. This could take a few weeks.

Unless customer specifies otherwise and is willing to pay for several shipments, we will wait for order to be complete before we ship.

All tanning is hair on. We do not do leather.
